

# Unite IE & Mt. View Republican Club are HOSTING ACTIVISM TRAINING!

## How to Become a Citizen Ninja™

- *Do you worry about being marginalized if you express your opinion in public?*
- *Have you been bullied in a public forum or town hall meeting?*
- *Do you wonder if civil discourse is even possible?*

**How to Become a Citizen Ninja™** is a workshop designed for conservative Americans who recognize they have a duty to engage in the civic process but are unsure how to go about it or are fearful of bully tactics being used against them.

*"Learn how to sideline your fears! This workshop will teach you how to exercise your civic responsibility in the public arena effectively and with confidence." ~Mary Baker, Workshop Leader*
