

Unite IE & Redlands TPP are HOSTING ACTIVISM TRAINING!

How to Become a Citizen Ninja™

- *Do you worry about being marginalized if you express your opinion in public?*
- *Have you been bullied in a public forum or town hall meeting?*
- *Do you wonder if civil discourse is even possible?*

How to Become a Citizen Ninja™ is a workshop designed for conservative Americans who recognize they have a duty to engage in the civic process but are unsure how to go about it or are fearful of bully tactics being used against them.

"Learn how to sideline your fears! This workshop will teach you how to exercise your civic responsibility in the public arena effectively and with confidence." ~Mary Baker, Workshop Leader
